TEACHER'S MESSAGE

By Deepak
(Middle Wing)

As educators, our journey is one of continuous learning, growth, and unwavering dedication to nurturing young minds. Every day, we embark on a mission to inspire, educate, and empower the leaders of tomorrow. In our classrooms, we witness the incredible curiosity and enthusiasm our students bring. They are not merely learners but explorers, eager to uncover the wonders of the world around them. Our role extends beyond sharing knowledge; it is about fostering critical thinking, nurturing values, and igniting a lifelong love for learning. Let us continue to pursue excellence, celebrate diversity, and cultivate a culture of kindness and respect. Thank you for being part of this journey with us. Together, we are shaping a brighter and more promising future.

STUDENT'S MESSAGE

Dharshan S
(Grade X)

I am excited to share what's new in learning. Learning is no longer just about books and blackboards. It has become more creative, interactive, and fun. We now use smart boards, videos, and even online quizzes that make lessons come alive. Group activities and project-based learning help us understand real-world problems and think critically. We are also encouraged to ask questions, share our ideas, and learn from each other. Technology has brought the world into our classroom, and every day feels like a new adventure. Learning today is not just about memorizing—it's about exploring, discovering, and growing together. Truly, our classroom is becoming a place where curiosity leads to knowledge and knowledge leads to confidence.

“WHERE HARD WORK MEETS TRIUMPH AUGUST 2025 ACHIEVERS!”

1ST AUGUST 2025 – “PARTNERS IN PROGRESS: PARENTS’ MEET”

A productive parents’ meeting was held after PA-1 to discuss students’ progress and share valuable feedback.

8TH AUGUST 2025 – “LITTLE HANDS, BIG CREATIONS”

Students showcased creativity through beautiful clay models, developing fine motor skills and imagination.

“EXPLORE & ENGAGE”

ECO CLUB

“Save the Earth” poster making and creating items from waste highlighted the importance of sustainability.

HERITAGE CLUB

Students enjoyed playing traditional games like Kabaddi and Pallankuzhi, promoting cultural heritage.

“PATRIOTISM & PLAY: INDEPENDENCE DAY KRISHNA JAYANTHI” - 13TH AUGUST 2025

The day was filled with patriotic fervor and devotion as the school celebrated Independence with great pride. The program began with flag hoisting and the National Anthem, followed by songs, dances, speeches, and a skit honoring the sacrifices of freedom fighters. Children dressed as Krishna and Radha added festive charm, blending culture with the spirit of freedom.

“LEARNING BEYOND CLASSROOMS: AUGUST FIELD FUN”

18TH AUGUST 2025 – FIELD TRIP (GRADES 1 & 2)

Students visited the Dharmapuri Aquarium with great excitement. They observed a wide variety of fishes, snakes, and birds on display. The trip was both enjoyable and educational, giving them a closer look at aquatic and wildlife species.

20TH AUGUST 2025 – FIELD TRIP (GRADES 6 TO 8)

Students went on an educational visit to the Mettur Dam. They learned about the importance of water conservation and its role in sustaining life. The trip also helped them understand how hydroelectric power is generated and used.

21ST AUGUST 2025 – FIELD TRIP (GRADE 9)

Students visited the Paiyur Regional Research Station and KRP Dam with enthusiasm. They observed modern farming techniques and learned how irrigation systems support agriculture. The visit provided valuable knowledge about the link between natural resources and food production.

“WELCOMING GANAPATI: JOYOUS CELEBRATIONS” - 26TH AUGUST 2025

A special pooja was conducted at the school temple with the active participation of the staff members. The serene atmosphere was filled with prayers, chants, and devotion, creating a sense of spiritual harmony. Teachers and staff came together to offer their prayers, seeking blessings for the well-being and success of the students and the school community. The ceremony not only spread positivity and divine energy but also strengthened the bond of unity, faith, and collective goodwill among everyone present. It was a truly uplifting occasion that left a sense of peace and inspiration in the hearts of all.

“THOUGHTS TO SOAR BY”

"Education is the most powerful weapon which you can use to change the world."

– Nelson Mandela

“EXCITING HAPPENINGS AHEAD”

1st August 2025 - Onam celebration

4th August 2025 - PA 2 begins

8th August 2025 - World Literacy Day

13th August 2025 - PTODM
